

# Music Notes

Miss Bolinger's Music Classroom Newsletter

July / August 2011

Dear Parents and Students,

Welcome back to an exciting year at the Carolina School for Inquiry! My name is Miss Bolinger, and I am honored to be your new music teacher. We will be exploring some challenging and interesting concepts such as: vocal health/technique, singing alone and with others, reading and listening to music, improvisation, and composing/arranging music. In order to have a safe, positive, and productive learning environment in which to explore these concepts, I have 3 simple rules.

- Be Safe
- Be Respectful
- Be Responsible

Parents, please discuss these rules with your children. I gladly welcome parent involvement, so please call the school or e-mail me so we may work together to make your child's music education as rich as possible. I look forward to meeting and working with you soon.

"Sing"cerely,

*Miss Melody Bolinger*

*"My goal is to help students become lifetime lovers of music, good stewards in the community, and encourage students to always make good choices." -Miss Bolinger*
