

Dear Parents,

Welcome to another year at Carolina School for Inquiry. I am looking forward to having you and your child as a part of our class community this school year. Enclosed you will find a list of school supplies. Remember, if your child was an Eagle last year and he/she has the flash drive from last year, just return it this year. Also, your child can return his/her journals (if they are still in good condition).

I look forward to working with you and your child this school year. Thank you in advance for your continued support of the Eagles Community.

I am looking forward to another great school year!

Dr. Samuels

Hello Eagle,

I hope you have had a great summer so far. I have! I am looking forward to having you as an Eagle this school year. Are you ready to learn more this school year? I hope the answer is yes!

What have you read this summer? Please bring two books to school (on the first day) that you read this summer. Be ready to have a conversation about the books too. We will probably keep the books in the classroom for two weeks.

I am excited about having you in our Eagles Community! I know you will have a great school year! Yes? Yes!

I will see you soon.

Dr. Samuels
